

CURRICULUM VITAE

Daniel Evan Stein, M.D.

Reproductive Medicine Associates of New York, LLP
200 West 57 Street (Suite 900). New York, New York 10019

(212) 256-8200 (Telephone)

(212) 247-4292 (Facsimile)

dstein@rmany.com (Email)

www.rmany.com (Website)

EDUCATION:

1985-1989 New York Medical College, Valhalla, New York
Doctorate of Medicine

1981-1985 Hobart and William Smith Colleges
Bachelor of Science - Biological Sciences

POSTDOCTORAL TRAINING:

1995-1997 Fellow, Division of Reproductive Endocrinology and Infertility
UMDNJ-New Jersey Medical School; Newark, New Jersey

1991-1995 Internship and Residency
Department of Obstetrics and Gynecology
Thomas Jefferson University Hospital; Philadelphia, Pennsylvania

1990-1991 Clinical and basic science research
Embryology and endocrinology
Division of Reproductive Endocrinology
Cornell University Medical School; New York, New York

1989-1990 Transitional internship
Department of Medicine
St. Vincent's Hospital; New York, New York

CERTIFICATION:

Diplomate, American Board of Obstetrics and Gynecology (Board Certified, Nov 1999 – present)

Sub-specialist, Reproductive Endocrinology (Board Certified, April 2002- present)

Re-certification for both Obstetrics and Gynecology and Reproductive Endocrinology (June 2014)

MEDICAL LICENSURE:

State of New York License (Active) – 182870-1; expiration 6/30/2018

State of New Jersey License (Inactive)

HONORS:

Alpha Omega Alpha honor society (Iota Chapter), 1987

Elected **President of the *Alpha Omega Alpha*** honor society (Iota Chapter), 1988-1989

New York's Top Obstetricians and Gynecologists. Castle-Connolly, 2011-2016

Best Doctors in New York. Castle Connolly/ New York Magazine, 2015-2017

WHO's WHO in America, 2005 - present

Best Doctors® in America, 2010 – present

The Leading Physicians of the World; 2011 - present

Top 10 Doctor Award (Vitals); 2013-present

Worldwide Registry of Executives, Professionals and Entrepreneurs in recognition of professional integrity and outstanding achievement; 2014-present

Winner of Resident Research Award, Department of Obstetrics and Gynecology, Thomas Jefferson University Hospital, June 1995

Annual Distinction Award from departments of Biology and Economics on Baccalaureate Essay "Diethylstilbestrol and cattle feed: A risk-benefit analysis." Hobart College, Spring 1985

ACADEMIC AND PROFESSIONAL POSITIONS:

1997-1999 Clinical Instructor of Obstetrics and Gynecology, 1997-1999
Maimonides Medical Center, Brooklyn, New York
Long Island College Hospital, Brooklyn, New York
Lutheran Medical Center, Brooklyn, New York

Columbia University - College of Physicians and Surgeons
Clinical Assistant Professor of Obstetrics and Gynecology
Faculty, Department of Obstetrics and Gynecology
Division of Reproductive Endocrinology
St. Luke's-Roosevelt Hospital Center

Co-Director, Continuum Reproductive Center
Medical Director, *In Vitro* Fertilization Program

4/2014 - present Mount Sinai School of Medicine
Clinical Assistant Professor of Obstetrics and Gynecology

Chief, Division of Reproductive Endocrinology
Department of Obstetrics and Gynecology
Mount Sinai West Hospital

Director, Reproductive Medicine Associates – Westside office

5/2007 **Course Director** – Continuum Health Partners Review Course on Clinical
Obstetrics and Gynecology; NYC

5/2009-5/2011 **National lecturer** - ExamPro® Review Course for the written board
examination in Obstetrics and Gynecology; Baltimore, MD

12/2011-12/2012 **Acting Chairman**, Department of Obstetrics and Gynecology. St. Luke's-
Roosevelt Hospital Center, New York City

4/2013 – 3/2015 **Vice Chairman**, Department of Obstetrics and Gynecology
Mount Sinai-Roosevelt and Mount Sinai-St. Luke's Hospitals

PROFESSIONAL SOCIETY MEMBERSHIP:

1999 – present American College of Obstetricians and Gynecologists

1997 – present American Society for Reproductive Medicine

2006 – present Society for Assisted Reproductive Technologies

2009 –present Member of Steering Committee, New York Society for Reproductive Medicine

Insulin resistance and β -cell function calculated by Homeostasis Model Assessment in lean, overweight and obese women with Polycystic Ovary Syndrome. Sirota I, **Stein DE**, Vega M and Keltz M. *The Journal of Reproductive Medicine* 2016; 61:3-10.

ABSTRACTS:

Stein DE, Seedor J. A review of microbial keratitis at one institution. *Invest. Opth. Visual Science* 1989; 30 (Suppl 1):502

Stein DE, Liu H, Rosenwaks Z: Intercycle variation of day 3 FSH concentrations as an important marker of ovarian reserve. 38th Annual Meeting, Society for Gynecologic Investigation, San Antonio, TX, May 1991. Abstract #155

Copperman AB, Feders S, Schanzer K, Garely A, Frankfurter D, Fishman M, **Stein DE**, Bustillo M: Attitudes of obstetricians and gynecologists towards ovum donation. 51st Annual Mtg, American Society for Reproductive Medicine, Seattle, October 1995

Palejwala S, Wojtczuk A, **Stein DE**, Weiss G, Goldsmith LT: Demonstration of a relaxin receptor and relaxin-stimulated tyrosine phosphorylation in human lower uterine segment fibroblasts. 44th Annual Meeting, Society for Gynecologic Investigation, San Diego, CA, March 1997. Abstract #559

Stein DE, Palejwala S, Weiss G, Goldsmith LT: Human relaxin stimulates procollagenase and prostromelysin-1 expression by human lower uterine segment fibroblasts. Presented - 44th Annual Meeting of the Society for Gynecologic Investigation, San Diego, March 1997. Abstract #725

Brennan G, Yarmush J, **Stein DE**, Colon J: The effect of Remifentanil on the percentage of frozen-thawed mouse embryos that proceed to the blastocyst stage. Presented - 44th Annual Meeting, Society for Gynecologic Investigation, San Diego, CA, March 1997. Abstract #375.

Tortoriello D, McGovern P, Colon J, **Stein DE**: “Coasting” does not adversely affect in vitro fertilization cycle outcome. Fertil Steril 1997; 68 (Suppl 1): S163-164

Keltz M, Sharma P, **Stein DE**: Comparison of FSH flare in poor responders undergoing in vitro fertilization (IVF) with and without prior oral contraceptive suppression. 59th Annual Meeting, American Society of Reproductive Medicine, San Antonio, TX, October 2003.

Keltz M, Sharma P, **Stein DE**: Increased second trimester pregnancy loss following in vitro fertilization (IVF). 59th Annual Meeting, American Society of Reproductive Medicine, San Antonio, TX, October 2003.

Berin I, Skorupski JC, **Stein DE**, Keltz MD: Elevated serum progesterone/estradiol ratio and progesterone levels during in vitro fertilization are negative predictors of cycle outcome. Fertil Steril 2006 (Sept); 86(3) (Suppl 1): S169.

Berin I, **Stein DE**, Keltz MD: The number of gestational sacs seen on a 5 week ultrasonogram positively correlates with live birth following IVF. Fertil Steril 2006; 86(3) (Suppl 1): S188-S189.

Fritz R, Keltz MD, **Stein DE**, Gonzales E, Cruz R: A comparison of slow freeze and vitrification in frozen embryo transfer in vitro fertilization. Fertil Steril 2008 (Sept); 90 (Suppl 1): S425

Acholonu UC, Silberzweig J, **Stein DE**, Keltz MD: Comparison of hysterosalpingography and sonohysterography to hysteroscopy for the evaluation of intrauterine abnormalities in infertile patients. Fertil Steril 2008 (Sept); 90 (Suppl 1): S454

Sirota I, **Stein DE**. Increased Insulin-Resistance and β -Cell Function in Obese Polycystic Ovary Syndrome Women. Poster presentation (Abstract T-298); Society for Gynecologic Investigation 59th Annual Scientific Meeting. March 22, 2012

Breborowicz A, Keltz M, Chau P, Gonzales E, Lederman M, **Stein DE**. Transvaginal ovarian drilling for severe polycystic ovary syndrome (PCOS) prior to in vitro fertilization (IVF) dramatically improves IVF outcomes. Poster presentation; 68th Annual Meeting of the American Society for Reproductive Medicine, San Diego, CA, October 20-24, 2012

Sirota I, **Stein DE**. Increased Insulin Resistance and β -Cell Function in Obese Polycystic Ovary Syndrome Women Stratified by Body Mass Index and Waist-to-Hip Ratio. Poster presentation (P-344); 68th Annual Meeting of the American Society for Reproductive Medicine, San Diego, CA, October 20-24, 2012.

Sauerbrun-Cutler M, Lederman M, Keltz M, Lee M, **Stein DE**. Serum anti-mullerian hormone levels (AMH) decrease after Metformin administration in women with both lean and overweight Polycystic Ovary Syndrome (PCOS). Poster presentation; 68th Annual Meeting of the American Society for Reproductive Medicine, San Diego, CA, October 20-24, 2012. *Fertil Steril* 2012; 98(3): S213

Sauerbrun-Cutler M, Keltz M, Lederman M, Vega M, **Stein DE**. Serum anti-mullerian hormone levels decrease after Metformin administration in women with Polycystic Ovary Syndrome more in patients with lean PCOS despite their normal levels of insulin resistance. *Reproductive Sciences* 2013; 20(3); 180A

Vega M, Keltz M, Sirota I, Gonzales E, **Stein DE**. Comparative genomic hybridization on day-3 embryo biopsy doubles the implantation, clinical pregnancy, and ongoing pregnancy rate per transfer. Poster presentation; 68th Annual Meeting of the American Society for Reproductive Medicine, San Diego, CA, October 20-24, 2012.

Sirota I, **Stein DE**, Vega M, Keltz MD. Insulin-Resistance and β -Cell Function in Polycystic Ovary Syndrome Women - Does Ethnicity Play a Role? Poster T-230. 60th Annual Scientific Meeting of the Society for Gynecological Investigation; Orlando, Florida, 2013

Sirota I, **Stein DE**, Vega M, Keltz MD. Body Mass Index as a Predictor for Insulin-Resistance and Pancreatic β -cell Function in Polycystic Ovary Syndrome Patients versus Controls. Poster T-231. 60th Annual Scientific Meeting of the Society for Gynecological Investigation; Orlando, Florida, 2013

Breborowicz A, Vega M, Sauerbrun-Cutler M, Sirota I, **Stein DE**, Keltz M. Euploid embryos following day 3 biopsy for comparative genomic hybridization (CGH) have excellent outcomes even with no advanced blastocysts. *Fertil Steril* 2013; 100(3-3); S201

Vega M, Breborowicz A, Sauerbrun-Cutler M, Gonzales E, **Stein DE**, Keltz M. Blastulation rates decline in a linear fashion from euploid to aneuploid embryos with single vs multiple chromosomal errors. Conference paper. Society for Gynecological Investigation Annual Meeting; Jan 2014

Sauerbrun-Cutler M, Vega M, Breborowicz A, Gonzales E, **Stein DE**, Lederman M, Keltz M. Oocyte zona pellucida dysmorphology is associated with diminished in-vitro fertilization success. *Journal of Ovarian Research* 2015; 8(1-1):5

Bardos J, Rodriguez-Purata J, Whitehouse MC, Lee JA, Sandler B, **Stein DE**, Copperman AB. Optimal endometrial preparation for frozen embryo transfer (FET) of screened embryos is independent of follicular phase length. ASRM 2015 Annual Meeting, Baltimore, MD. O-121.

Ganza AL, Whitehouse MC, Lee JA, McGovern PG, Copperman AB, **Stein DE**. Obesity and ART: Does BMI affect euploidy rates and/or pregnancy outcomes in couples undergoing IVF with CCS? Poster P-422; 72nd Annual Meeting of the American Society for Reproductive Medicine, Salt Lake City, UT October 2016.

Ganza AL, Whitehouse MC, Lee JA, McGovern PG, Copperman AB, **Stein DE**. Male factor infertility and aneuploidy: Do couples with male factor infertility have a lower rate of euploid embryos? Poster P-320; 72nd Annual Meeting of the American Society for Reproductive Medicine, Salt Lake City, UT October 2016.

Kon M, Sekhon L, Whitehouse MC, Lee JA, Copperman AB, **Stein DE**. Number of supernumerary euploid embryos from an IVF cycle correlated with ongoing pregnancy rate after subsequent single euploid embryo transfer (SET). Poster P-256; 72nd Annual Meeting of the American Society for Reproductive Medicine, Salt Lake City, UT October 2016.

Sekhon L, Aharon N, Herlihy J, Rodriguez-Purata J, Lee JA, Sandler B, **Stein DE**, Copperman AB. Fresh vs frozen euploid embryo transfer into a synthetically prepared endometrial cavity: examining the effects of blastocyst vitrification on cycle outcome. Oral presentation O-176; 72nd Annual Meeting of the American Society for Reproductive Medicine, Salt Lake City, UT October 2016.

Sekhon L, Herlihy J, Rodriguez-Purata J, Lee JA, Sandler B, **Stein DE**, Copperman AB. Vitrification and thawing of preimplantation embryos does not affect perinatal outcome. Oral presentation O-180; 72nd Annual Meeting of the American Society for Reproductive Medicine, Salt Lake City, UT October 2016.

Nazem T, Sekhon L, Lee JA, Overbey J, Pan S, Whitehouse M, Duke M, Briton-Jones C, Copperman AB, **Stein DE**. How does morphologic assessment correlate with implantation of euploid embryos? Poster presentation P-612; 73rd annual meeting of the American Society for Reproductive Medicine; San Antonio, TX, Oct 28, 2017 - Nov 1, 2017

Nazem T, Sekhon L, Hernandez-Nieto C, Lee JA, Briton-Jones C, Copperman AB, **Stein DE**. Chronological age is better than physiological age at predicting likelihood of producing euploid embryos. Poster presentation P-289; 73rd annual meeting of the American Society for Reproductive Medicine; San Antonio, TX, Oct 28, 2017 - Nov 1, 2017

Hernandez-Nieto C, Lee JA, Sekhon L, Luna M, **Stein DE**, Mukherjee T, Copperman AB, Sandler B. Selective Serotonin Reuptake Inhibitors exposure prior to ART treatment does not affect blastulation rate. Oral presentation O-228; 73rd annual meeting of the American Society for Reproductive Medicine; San Antonio, TX, Oct 28, 2017 - Nov 1, 2017

INVITED PRESENTATIONS:

Grand Rounds speaker. “Infertility, Gonadotropins and Ovarian Cancer” - Department of Obstetrics and Gynecology, Thomas Jefferson University Hospital, October, 1996

Grand Rounds speaker. “Premenstrual Syndrome: Myths and Realities” - Department of Obstetrics and Gynecology, New Jersey Medical School, January, 1997

Grand Rounds speaker. “Everything seemed so perfect, so why did my cycle fail?” - Maimonides Medical Center; May, 1997

Keynote Speaker. “Factors Limiting Fecundity in Natural and IVF Cycles” - Long Island Nurses Conference on Infertility. Marriott Conference Center, Melville, NY, August 27, 1997

Grand Rounds speaker. “Can Fertility Drugs Cause Ovarian Cancer?” Maimonides Medical Center, Sept 5, 1997

Television interview on topic of multiple pregnancies after fertility treatment. *Fox on Family* (Live). November 13, 1997. Fox Studios, New York City

“Endometriosis: An Overview” - Guest Lecturer. Brooklyn Endometriosis Association. Maimonides Medical Center. Brooklyn, New York. November 20, 1997

Grand Rounds speaker. “Fertility Medications and Ovarian Cancer” - Department of Obstetrics and Gynecology. Lutheran Medical Center, Brooklyn, NY, November 20, 1997

Grand Rounds speaker. "Oocyte Donation: Guidelines and Management" - Lutheran Medical Center, Brooklyn, New York. May 28, 1998

Guest lecturer. "What to expect when your pregnancy test is positive" - RESOLVE, NYC. National Council of Jewish Women. June 9, 1998

Guest lecturer. "Secondary Infertility: Causes and Treatments" – RESOLVE Brooklyn, Jan 13, 1998

Invited lecturer. "In Vitro Fertilization: A Medical Overview." - National Council of Jewish Women, New York City, January 20, 1999

Grand Rounds speaker. "PCOS: Metabolic mechanisms and implications." Maimonides Medical Center, May, 1999

Invited lecturer. "PCOS update"- RESOLVE NY Conference, New York City, June 1, 1999

Invited lecturer. "PCOS: What have we learned and where do we go from here?" First annual tri-state conference on Polycystic Ovarian Syndrome. The American Infertility Association (AIA). Mount Sinai Hospital, New York City, October 17, 1999

Invited lecturer. "PCOS-An Overview." Annual Conference of the American Infertility Association (AIA). Grand Hyatt Hotel. New York City, March 5, 2000.

Invited lecturer. "HRT: How Do We Choose?" The Science and Art of Medicine Symposium on Controversies in Management of Menopause. St. Luke's Roosevelt Hospital Center, NYC, Feb, 2002

Invited course lecturer. "Managing Hyperandrogenic Symptoms: Hirsutism, Acne and Alopecia." Postgraduate course on critical issues in Obstetrics and Gynecology. St. Luke's Roosevelt Hospital Center, New York City, May 24-25, 2002

Guest speaker. "Unexplained Infertility: An Evidence-Based Approach." American Fertility Association Conference. Brooklyn, New York. October 10, 2002.

Television interview: "The Male Biological Clock: chromosome defects in sperm of aging men." NBC television, "Today in New York." October 2002

"PCOS: A Comprehensive Medical Disorder." American Infertility Association; October 29, 2002. Brooklyn Marriot Hotel and Conference Center, Brooklyn, NY

Grand Rounds speaker. "PCOS: A Metabolic Disorder." North Shore University Hospital; Forest Hills, New York. January, 2003

Guest of Honor. Annual National Gala Event. Bonei Olam (charity for the provision of fertility care to the indigent population). Ateres Chaya Hall, Brooklyn, NY; January 2003

Grand Rounds Speaker. "Infertility in 2003." Long Island College Hospital, Bklyn, NY; Nov 2003

Grand Rounds Speaker. "The Future of Assisted Reproductive Technologies." St. Luke's-Roosevelt Hospital; January 6, 2004

Grand Rounds Speaker. "Recurrent Pregnancy Loss: Myths and Realities." St. Luke's-Roosevelt Hospital; March, 2005

Guest speaker. "Issues regarding Fertility and Pregnancy in Women 35 and Older." Special Conference for PLUM Magazine. Borders Book Store, New York, NY; Nov 12, 2006

Live interview, "The Male Biological Clock." *ABC News Now*. Nov 15, 2006

"Hirsutism in Women." ABC News television; March 5, 2007

"Endocrinological Problems that Affect Fertility." Conference on Fertility and the Jewish Couple, ATIME. Brooklyn Marriott Hotel, Dec 14, 2008

Invited Lecturer, "The Current State of Oocyte Cryopreservation." Brooklyn Gynecological Society, Jan 2009

Invited Lecturer, "Benefits of hMG vs. rFSH for ovulation induction in IVF and Efficacy of vaginal progesterone for luteal support in IVF." Capital Grille, Philadelphia, PA. Feb 24, 2009

Grand Rounds Speaker. "Health Care Reform in 2009." St. Luke's-Roosevelt Hospital Center, November, 2009

Grand Rounds Speaker. "Hormonal markers of ovarian reserve: Are they useful?" Department of Obstetrics and Gynecology. Roosevelt Hospital, New York City. November, 2010

Grand Rounds Speaker. "The predictability and utility of serum ovarian reserve markers." Department of Medical Endocrinology. St. Luke's Hospital, New York, March 2, 2010.

Grand Rounds Speaker. “The Endocrinology of Pregnancy.” Department of Obstetrics and Gynecology. Roosevelt Hospital, New York City. November, 2010

Grand Rounds Speaker. “Ovarian diathermy and drilling in the management of PCOS-related ovulatory dysfunction.” Department of Obstetrics and Gynecology. Roosevelt Hospital, New York City. November, 2011

Principal lecturer. “Fertility preservation by Oocyte Cryopreservation.” *World Class Medicine and Research* Conference. New York City. April 2012

Grand Rounds Speaker. “Value-Based Health Care: A Shift in Paradigm.” Department of Obstetrics and Gynecology. Roosevelt Hospital, New York City. November, 2012

Invited speaker. “Value-Based Purchasing in Health Care.” Presentation to Executive Medical Board of Continuum Health Partners Corporation. New York City, January 2013

Grand Rounds speaker. “Ovarian Drilling for Management of PCOS.” Beth Israel Medical Center, Apr 2013

Invited lecturer. “Update on Recurrent Pregnancy Loss: An Evidence-Based Approach.” Mount Sinai Hospital Conference on Obstetrics and Gynecology. May, 2014

Grand Rounds Speaker. “Pregnancy outcomes in IVF: The advantages of frozen vs fresh embryo transfer.” Mount Sinai – Roosevelt Hospital, NYC. Dec 15, 2015

Financing of Fertility Care. *Good Morning America*. April 26, 2016

Grand Rounds Speaker. “Androgens and ovarian stimulation.” Division of Medical Endocrinology and Metabolism. Mount Sinai West Hospital. June 2016.

Grand Rounds Speaker. “The Endocrinology of Pregnancy.” Division of Medical Endocrinology and Metabolism. Mount Sinai Hospital – St. Luke’s. December 13, 2017.
